Therefore, in consideration of (i) the return to Hill Rivkins LLP (Attn: John J. Sullivan, Esq.), 45 Broadway, Suite 1500, New York, New York, USA, with a copy to counsel for Stolt, i.e., Nicoletti, Hornig & Sweeney (Attn: John A.V. Nicoletti, Esq.) Wall Street Plaza, 88 Pine Street, 7th Floor, New York, New York 10005 USA, of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Hill Rivkins' Cargoes and (ii) the cancellation of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Hill Rivkins Cargoes, **OR** (iii) the issuance by Messrs. Groninger Welke Janssen and/or Schlimme & Partner, as average adjusters for the above captioned general average that was declared in connection with the above captioned casualty, of a duly attested letter certifying that the general average security that previously was provided by or on behalf of the Hill Rivkins' Cargoes listed in Schedule A is deemed cancelled and discharged; each of the undersigned entities, i.e., insurers of Stolt, undertakes to pay to Conti or to the average adjusters on behalf of the various parties to the adventure as their interests may appear, its respective proportionate share, as noted below, of any contribution to general average that may hereafter be ascertained to be reasonably, legally and properly due from each of the Hill Rivkins' Cargoes, or any of them, under an adjustment prepared in accordance with the provisions of the contract(s) of affreightment governing the carriage of the subject goods and which is payable in respect of said goods by the shippers or owners thereof, reserving all rights as may be relevant under the controlling charter party(ies), bill(s) of lading, sea waybill(s) or other contract(s) of carriage. The total amount of the security posted under this Letter of Undertaking as security for the contributions to general average legally and properly due from the Hill Rivkins' Cargoes shall be limited to the amount of general average security directed by the United States District Court for the Southern District of New York in its Order dated March 5, 2013 (Doc. 32) in the proceeding titled "In the Matter of the Complaint of Conti 11.Container Schiffahrts-GMBH & Co. KG MS 'FLAMINIA', as Owner, and NSB Niederelbe Schiffahrtsgesellschaft MBH & Co. KG, as operator, of the MSC Flaminia for Exoneration from or Limitation of Liability" and bearing civil docket number 12-cv-8892 (KBF), namely, €18,443,878.57, which represents 58.5 percent of the total combined contributory values of the Duane Morris' Cargoes. The amount of the security that is posted under this Letter of Undertaking for each individual cargo interest that is listed in Schedule A is 58.5 percent of the contributory value of each individual cargo interest as stated in Schedule A in the column titled "Contributory Value".

Each of the undersigned entities also agrees:

- (i) To furnish to Groninger Welke Janssen, the collecting agents for the General Average Adjuster, at their request, all information which is available to it relative to the value and condition of the Hill Rivkins' Cargoes;

- (ii) To make payments(s) on account of its respective proportionate share, as noted below, of such sum as reasonably, legally and properly may be due once certified by the General Average Adjuster and which is payable in respect of the Hill Rivkins' Cargoes from the shippers or owners thereof to the extent required under the relevant sea waybill(s) and/or bill(s) of lading; and
- (iii) That in the event the subject cargoes or any part thereof were forwarded to original destination by other vessel, vessels or conveyances, rights and liabilities in general average shall not be affected by such forwarding, it being the intention to place the parties concerned as nearly as possible in the same position in this respect as they would have been in the absence of such forwarding and with the adventure continuing by the original vessel for so long as justifiable under the law applicable or under the Contract of Affreightment. The basis of contribution to general average of the property involved shall be the values on delivery at original destination, except that cargo not forwarded to destination shall contribute on its value where disposed of and the vessel, if it carries none of the cargo to destination, shall contribute on the basis of its actual value at the completion of discharge. PROVIDED, however, that the amount charged to cargo in general average or otherwise shall not exceed the sum of (a) general average stated as though the voyage terminated at the port of refuge and (b) forwarding costs to destination.

It is agreed and understood that the undertakings set forth in this letter are separate, not joint, and are independently binding upon each of the undersigned entities only up to its respective proportionate share as set forth below. Each of the undersigned entities shall be responsible only for its percentage share and no more.

Each of the undersigned entities further agrees that any action against it under this Letter of Undertaking may be brought before the United States District Court for the Southern District of New York, which jurisdiction is hereby agreed to, and that Nicoletti Hornig & Sweeney is appointed its authorized agent for the service of process in connection with any such action.

This Letter of Undertaking is to be construed in accordance with the laws of the State of New York.

This Letter of Undertaking is given entirely without prejudice to any rights or defenses which the Hill Rivkins' Cargoes may have, none of which are to be regarded as waived.

Therefore, in consideration of (i) the return to Duane Morris LLP (Attn: James W. Carbin, Esq.), One Riverfront Plaza, 1037 Raymond Blvd., Suite 1800, USA, with a copy to counsel for Stolt, i.e., Nicoletti, Hornig & Sweeney (Attn: John A.V. Nicoletti, Esq.) Wall Street Plaza, 88 Pine Street, 7th Floor, New York, New York 10005 USA, of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Duane Morris' Cargoes and (ii) the cancellation of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Duane Morris' Cargoes, OR (iii) the issuance by Messrs. Groninger Welke Janssen and/or Schlimme & Partner, as average adjusters for the above captioned general average that was declared in connection with the above captioned casualty, of a duly attested letter certifying that the general average security that previously was provided by or on behalf of the Duane Morris' Cargoes listed in Schedule A is deemed cancelled and discharged; each of the undersigned entities, i.e., insurers of Stolt, undertakes to pay to Conti or to the average adjusters on behalf of the various parties to the adventure as their interests may appear, its respective proportionate share, as noted below, of any contribution to general average that may hereafter be ascertained to be reasonably, legally and properly due from each of the Duane Morris' Cargoes, or any of them, under an adjustment prepared in accordance with the provisions of the contract(s) of affreightment governing the carriage of the subject goods and which is payable in respect of said goods by the shippers or owners thereof, reserving all rights as may be relevant under the controlling charter party(ies), bill(s) of lading, sea waybill(s) or other contract(s) of carriage. The total amount of the security posted under this Letter of Undertaking as security for the contributions to general average legally and properly due from the Duane Morris' Cargoes shall be limited to the amount of general average security directed by the United States District Court for the Southern District of New York in its Order dated March 5, 2013 (Doc. 32) in the proceeding titled "In the Matter of the Complaint of Conti 11.Container Schiffahrts-GMBH & Co. KG MS 'FLAMINIA', as Owner, and NSB Niederelbe Schiffahrtsgesellschaft MBH & Co. KG, as operator, of the MSC Flaminia for Exoneration from or Limitation of Liability" and bearing civil docket number 12-cv-8892 (KBF), namely, €3,399,160.07, which represents 58.5 percent of the total combined contributory values of the Duane Morris' Cargoes. The amount of the security that is posted under this Letter of Undertaking for each individual cargo interest that is listed in Schedule A is 58.5 percent of the contributory value of each individual cargo interest as stated in Schedule A in the column titled "Contributory Value".

Each of the undersigned entities also agrees:

- (i) To furnish to Groninger Welke Janssen, the collecting agents for the General Average Adjuster, at their request, all information which is available to it relative to the value and condition of the Duane Morris' Cargoes;

- (ii) To make payments(s) on account of its respective proportionate share, as noted below, of such sum as reasonably, legally and properly may be due once certified by the General Average Adjuster and which is payable in respect of the Duane Morris' Cargoes from the shippers or owners thereof to the extent required under the relevant sea waybill(s) and/or bill(s) of lading; and
- (iii) That in the event the subject cargoes or any part thereof were forwarded to original destination by other vessel, vessels or conveyances, rights and liabilities in general average shall not be affected by such forwarding, it being the intention to place the parties concerned as nearly as possible in the same position in this respect as they would have been in the absence of such forwarding and with the adventure continuing by the original vessel for so long as justifiable under the law applicable or under the Contract of Affreightment. The basis of contribution to general average of the property involved shall be the values on delivery at original destination, except that cargo not forwarded to destination shall contribute on its value where disposed of and the vessel, if it carries none of the cargo to destination, shall contribute on the basis of its actual value at the completion of discharge. PROVIDED, however, that the amount charged to cargo in general average or otherwise shall not exceed the sum of (a) general average stated as though the voyage terminated at the port of refuge and (b) forwarding costs to destination.

It is agreed and understood that the undertakings set forth in this letter are separate, not joint, and are independently binding upon each of the undersigned entities only up to its respective proportionate share as set forth below. Each of the undersigned entities shall be responsible only for its percentage share and no more.

Each of the undersigned entities further agrees that any action against it under this Letter of Undertaking may be brought before the United States District Court for the Southern District of New York, which jurisdiction is hereby agreed to, and that Nicoletti Hornig & Sweeney is appointed its authorized agent for the service of process in connection with any such action.

This Letter of Undertaking is to be construed in accordance with the laws of the State of New York.

This Letter of Undertaking is given entirely without prejudice to any rights or defenses which the Duane Morris' Cargoes may have, none of which are to be regarded as waived.

Dear Sirs:

Stolt Tank Containers B.V. and Stolt-Nielsen USA, Inc. (collectively “Stolt”) have settled the claims of the cargo interests represented by and through the New York law firms Hill Rivkins LLP, Duane Morris LLP and Casey & Barnett LLC and the claims of Suttons International Ltd. and Suttons International (N.A.) provided by or on behalf of the cargo that is represented by Clark, Atcheson & Reisert and which is identified in the attached Schedule A (hereinafter "Suttons' tanks").

Therefore, in consideration of (i) the return to Clark, Atcheson & Reisert (Attn: Richard J. Reisert, Esq.), 7800 River Road, North Bergen, New Jersey 07047, USA, with a copy to counsel for Stolt, i.e., Nicoletti, Hornig & Sweeney (Attn: John A.V. Nicoletti, Esq.) Wall Street Plaza, 88 Pine Street, 7th Floor, New York, New York 10005 USA, of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Suttons' tanks and (ii) the cancellation of the general average security (e.g., general average bonds and average guarantees) that previously was provided by or on behalf of the Suttons' tanks, OR (iii) the issuance by Messrs. Groninger Welke Janssen and/or Schlimme & Partner, as average adjusters for the above captioned general average that was declared in connection with the above captioned casualty, of a duly attested letter certifying that the general average security that previously was provided by or on behalf of the Suttons' tanks listed in Schedule A is deemed cancelled and discharged; each of the undersigned entities, i.e., insurers of Stolt, undertakes to pay to Conti or to the average adjusters on behalf of the various parties to the adventure as their interests may appear, its respective proportionate share, as noted below, of any contribution to general average that may hereafter be ascertained to be reasonably, legally and properly due from each of the Suttons' tanks, or any of them, under an adjustment prepared in accordance with the provisions of the contract(s) of affreightment governing the carriage of the subject goods and which is payable in respect of said goods by the shippers or owners thereof, reserving all rights as may be relevant under the controlling charter party(ies), bill(s) of lading, sea waybill(s) or other contract(s) of carriage. The total amount of the security posted under this Letter of Undertaking as security for the contributions to general average legally and properly due from the Suttons' tanks shall be limited to the amount of general average security directed by the United States District Court for the Southern District of New York in its Order dated March 5, 2013 (Doc. 32) in the proceeding titled "In the Matter of the Complaint of Conti 11.Container Schiffahrts-GMBH & Co. KG MS 'FLAMINIA', as Owner, and NSB Niederelbe Schiffahrtsgesellschaft MBH & Co. KG, as operator, of the MSC Flaminia for Exoneration from or Limitation of Liability" and bearing civil docket number 12-cv-8892 (KBF), namely, €49,599.01, which represents 58.5 percent of the total combined contributory values of the Suttons' tanks. The amount of the security that is posted under this Letter of Undertaking for each individual cargo interest that is listed in Schedule A is 58.5 percent of the contributory value of each individual cargo interest as stated in Schedule A in the column titled "Contributory Value".

Each of the undersigned entities also agrees:

- (i) To furnish to Groninger Welke Janssen, the collecting agents for the General Average Adjuster, at their request, all information which is available to it relative to the value and condition of the Suttons' tanks;

- (ii) To make payments(s) on account of its respective proportionate share, as noted below, of such sum as reasonably, legally and properly may be due once certified by the General Average Adjuster and which is payable in respect of the Suttons' tanks from the shippers or owners thereof to the extent required under the relevant sea waybill(s) and/or bill(s) of lading; and
- (iii) That in the event the subject cargoes or any part thereof were forwarded to original destination by other vessel, vessels or conveyances, rights and liabilities in general average shall not be affected by such forwarding, it being the intention to place the parties concerned as nearly as possible in the same position in this respect as they would have been in the absence of such forwarding and with the adventure continuing by the original vessel for so long as justifiable under the law applicable or under the Contract of Affreightment. The basis of contribution to general average of the property involved shall be the values on delivery at original destination, except that cargo not forwarded to destination shall contribute on its value where disposed of and the vessel, if it carries none of the cargo to destination, shall contribute on the basis of its actual value at the completion of discharge. PROVIDED, however, that the amount charged to cargo in general average or otherwise shall not exceed the sum of (a) general average stated as though the voyage terminated at the port of refuge and (b) forwarding costs to destination.

It is agreed and understood that the undertakings set forth in this letter are separate, not joint, and are independently binding upon each of the undersigned entities only up to its respective proportionate share as set forth below. Each of the undersigned entities shall be responsible only for its percentage share and no more.

Each of the undersigned entities further agrees that any action against it under this Letter of Undertaking may be brought before the United States District Court for the Southern District of New York, which jurisdiction is hereby agreed to, and that Nicoletti Hornig & Sweeney is appointed its authorized agent for the service of process in connection with any such action.

This Letter of Undertaking is to be construed in accordance with the laws of the State of New York.

This Letter of Undertaking is given entirely without prejudice to any rights or defenses which the Suttons' tanks may have, none of which are to be regarded as waived.
